

## **Bee Royal Natural SPA Body Scrub**

[Bee Royal Natural SPA Body Scrub](#) on Sale only at Retail [Make Up Store](#).

Massaging the body with this foaming exfoliating scrub will provide a thorough cleansing through the removal of dry body cells. This polishing experience will allow better product performance and absorption of NATURAL Spa Tangerine Souffle.

### **APPLICATION:**

Apply to wet skin, massage using a loofah or body sponge. Rinse well.

### **FEATURES & BENEFITS:**

NATURAL ingredients from the Earth, Plant and Sea, including NATURAL essential extracts and oils, help to transform dull skin into a clear, glowing rejuvenated tone.

Pumice, a NATURAL volcanic powder helps to remove dry surface cells, resulting in a smoother body complexion. Marine algae help to normalize the skin's moisture content to provide suppleness and healing properties (due to iodine content). Essential oils, lime, spearmint and lemongrass awaken the senses leaving the skin totally refreshed, while citrus enhances the aroma.

Formulated to attend the needs of both women and men, circulation is stimulated through massaging the foaming exfoliating scrub. HELPS TO IMPROVE THE HEALTH AND BEAUTY OF THE BODY.

Follow with NATURAL SPA Tangerine Souffle.
